Routers/Servers

Professional Network Support. One Fixed Monthly Price.*

PerAspera Consulting will support your computer network for a set fee every month.

- Reduce administration costs
- Avoid outrageous hourly fees
- Eliminate overtime charges

With PerAspera's Network Management Service, you know at the beginning of the month exactly what your network support costs will be.

We install, configure and administer:

- Routers
- Servers
- Workstations
- Printers

Your team keeps you ahead of the competition. PerAspera keeps you in the game.
